How BIG is your PROBLEM?

RAINY

You and your friend aren't getting along, you need help getting better grades, someone in class is bugging you, etc.

A **small** problem. A rainy sized problem means "see me when you can."

STORMY

You're feeling very worried about something, you've been feeling sad for a long time, you think you're in big trouble for something, etc.

A **medium** problem. A stormy sized problem means "see me this week."

TORNADO

Someone is hurting your body, someone is in danger or you feel unsafe, someone you love very much died, etc.

A **big** problem. A tornado sized problem means "see me as soon as you can!" This is super serious.
