

Lanyard Cards

Quick-access lanyard cards built for in-the-moment support when things get hard: scripting for staff and regulation tools for students.

Scripting Card

de-escalation script /
restorative conferencing
script

Regulation Visuals Card

pause/think/play and
square breathing
script

What's in a Set:

Faculty/Staff Scripting Card — A de-escalation script on one side and a restorative script on the other, so adults in the building have consistent language to make things better now and build a positive foundation for the future

Regulation Visuals Cards — Student-facing, with pause/think/play button prompts on one side and a traceable square breathing exercise on the other.
